

# 600A BRUSHLESS ALTERNATOR

Prestolite is proud to announce the development of a new 600A brushless alternator. Incorporating the latest hairpin technology and electronics, this alternator delivers exceptional output from a massively reduced size machine. At 42kg, it is much lighter than the competition's product.

- 24V / 280A at 2,000 rpm and 600A at 6,000rpm
- Low maintenance
- Low EMC footprint
- Hairpin stator technology
- 24 x 80A Avalanche diode rectifier
- Non-ITAR options

For more information about this exciting project, or to register your interest, please contact Shelhurst Components (Pty) Ltd. Tel: +27 11 795-2130, Fax: +27 086 660 1666. Email: [sales@shelhurst.co.za](mailto:sales@shelhurst.co.za)
